

Dear Parent/Carer,

In response to informal discussions held with some parents and carers, we would like to provide you with some further information about the curriculum your child/ren will be studying during their time in school.

Please look through this document to see what your child will be learning about throughout the second half of the Autumn term. Hopefully this will help when you are talking to your child about their day in school. This timetable may change slightly, in line with the children's needs and interests. We will be sending these overviews at the beginning of each half term.

If you have any questions after reading this document, please do not hesitate to ask.

Thank you for your continued support.

Mrs Peterson and Miss Carter
