

19<sup>th</sup> July 2018

Dear Parents and Carers,

In September 2018, your child will be learning all about explorers, including those who travelled into space. For this topic, on Thursday 13<sup>th</sup> September we would like a 'WonderDome' to come into our school for the day. The children will learn and explore about the planets in our solar system, space travel and the Earth, sun and moon when they enter the dome with their class. Each class will have a morning and afternoon session.

We would also like to invite parents and carers in to enjoy this experience with the children for the afternoon sessions. There will be space for up to 2 adults per child. You will enter school through the main office and meet the children in Times Square Hall. More information on exact timings will be provided in the first week back in September.

In order to cover the cost of this educational session, we are asking for a donation of £4.00 per child. If you will be coming in for the experience, the slip below will need to be returned to the class teacher Tuesday 11<sup>th</sup> September.

Thank you for your continued support.

Year 2 teachers,

Miss Burgess and Miss Cain.
