Monday 23rd April 2018

Dear Parents & Carers,

Due to the ongoing success of the piano lessons I am offering to the children at Eastwood Primary School & Nursery, I have now set up a brand new after-school club; I am very excited to welcome your child to join my Creative Music Production Club which will begin in the Summer term. The club will be held on Thursdays after school between 3.00 pm and 4.00 pm, and is open to all children in Year 4, 5 and 6. Sessions begin on Thursday 26th April. The last session of the half term will be on Thursday 24th May.

What Skills Will My Child Develop?

During the sessions, your child will learn to use Apple's GarageBand software for iPad, to create original digital music. In doing so, your child will learn to:

- develop confidence and self-esteem by collaborating with others when creating music
- be more decisive, by practising making music-related decisions
- become a confident navigator of Apple's GarageBand software
- choose, program and play a variety of digital instruments, such as keyboards, drums, strings and synthesisers
- record and manipulate sounds with a digital audio sampler
- compose original music, using chords as a starting point
- arrange different layers of music to create an exciting listening experience
- and many more!

The cost per session is only £4.90. There will be 10 sessions taught each term. To secure a place for your son/daughter, payment for the term (£49) must be received in full, in advance. Please note, sessions will not be taught without full payment in advance and no refunds will be given for sessions where your child is absent. All fees are non-refundable.

If your child is interested and you are ready to give your child the gift of music lessons, please register your interest by emailing me directly at info@osheapianoschool.co.uk

As soon as I receive your email to register, I will reply with an invoice for the sessions. Only when payment has been paid in full will your child be allocated a space. Please be aware that due to the nature of this club, it is expected that spaces will be booked very quickly. There is only a total of 30 spaces available for this exciting, new club and therefore these spaces will be allocated on a first come first served basis. Please remember that this club is open to Years 4, 5 and 6, so please sign up early to avoid disappointment.

If you prefer to sign up on paper, please fill in the attached slip and return it to the school office as soon as possible. I will then contact you with further information. (Please note that emailing me directly is the fastest way to guarantee your child a space in this innovative, new music group).

Yours Sincerely,

Ian O'Shea (*O'Shea Piano School*)
