

Syncing school calendar events with your mobile calendar

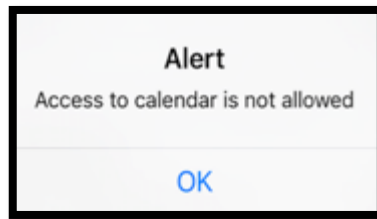

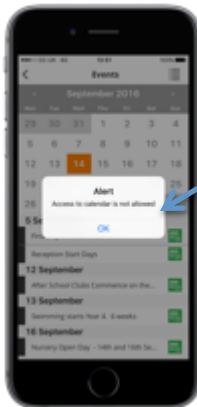

For iOS iPhone or iPad

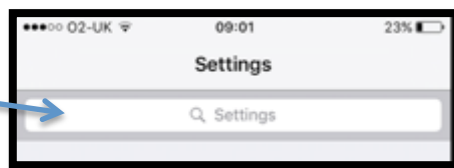

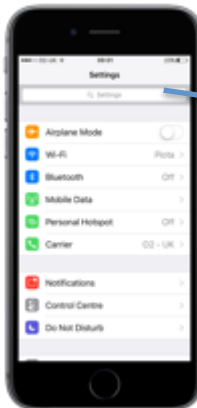

Click the
mini
calendar

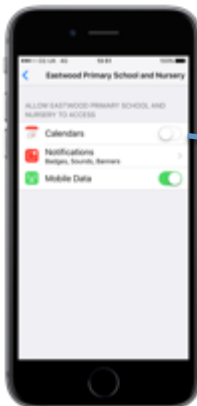

This will also set you a reminder!

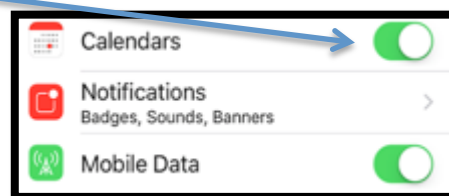

If access to the calendar is not allowed, please try the following steps:

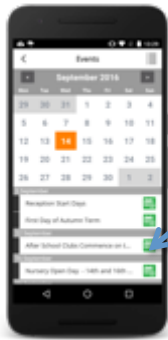

1. Go to the phone or tablet 'Settings' and in the search bar start typing the app name. The phone will locate the app. Then select the app.

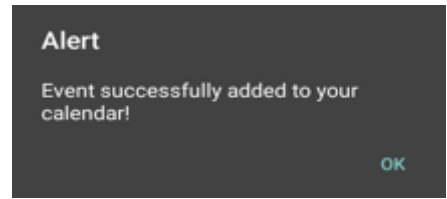

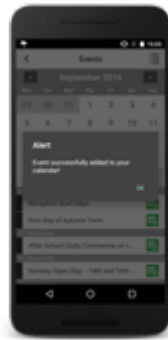

2. Switch calendar ON!

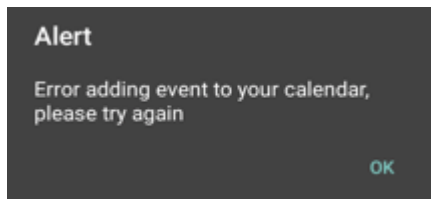

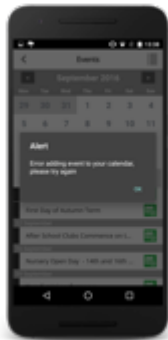

For Android devices

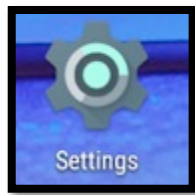

Click the mini calendar

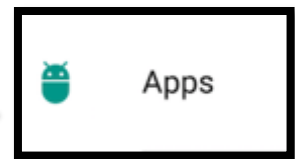

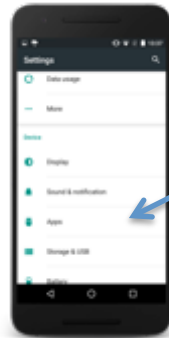

This will also set you a reminder!

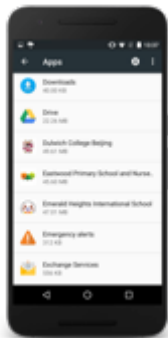

If error message, please try the following steps:

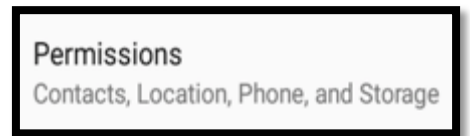

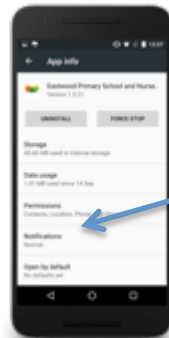

1. Tap 'Settings'

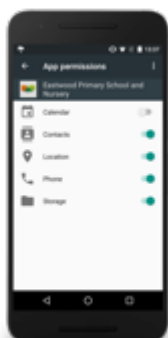

2. Select 'Apps'

3. Scroll down to find your school and select.

4. Tap 'Permissions'

5. Switch calendar ON!
