

Dear Parents and Carers,

On the Tuesday 12<sup>th</sup> June, Year 5 will be singing at Havengore House retirement home. The children thoroughly enjoyed performing our class assemblies and assembly for Mrs Cooney. This will be an exciting opportunity for us to share our singing with the residents at Havengore House

We will be walking to Havengore House, leaving school at 10:30am and returning in time for lunch.

On the day, the children will need to come into school wearing school uniform as usual.

In line with the school positive behavior policy, if your child receives five card changes shortly before the trip, a risk assessment will be carried out by Mrs. Perman and they may not be able to take part in the visit.

Thank you for you continued support,

Miss Pickrell, Miss Livermore and Mr Campling
