

Dear Parents/Carers of KS2 children.

E Safety meeting 10th July 6.00pm

We have been asked by a number of parent and carers to run another E-safety session in the evening.

Gary Collard has worked with the school extensively over the last couple of years, and he is now working closely with Eastwood Academy.

Gary is able to highlight how parents and carers can support their child on mobile devices. Although he has presented to parents and carers the past, the speed technology works I can guarantee some of the Apps and games Gary spoke about last time are no longer in use and there are new Apps and games we all need to be aware of.

It is through a collaborative effort between parents/carers and teachers that we will succeed in creating responsible and safe cyber citizens, with this in mind I hope that you will be able to attend the above.

The session will be held on July 10th at 6pm. There will be a crèche as the presentation is not suitable for children.

Please complete the form below so we know how many chairs to set out!

Thank you in advance.

Mrs Perman

E Safety meeting 10th July 6pm

Childs name _____

I would like ___ seats for the session

Signed _____

If there is anything you would like Gary to talk about please indicate below
