

Dear Parents/Carers,

On Monday 5th February your child will have the opportunity to visit the Warner Brothers Harry Potter Studio Tour.

We will be taking a journey through Platform 9¾ on the Hogwarts Express to the Great Hall before exploring the new Forbidden Forest and then making a visit to Diagon Alley! We will also look at all the work that went into making the feature film.

This is an incredibly exciting visit and due to highly successful fundraising and the schools pupil premium grant, the school is going to be funding the full cost of the visit. This means there is nothing for you to pay!

More information about this truly amazing visit and all the work your child will be doing in regards to the visit will follow.

In the meantime, may we ask that you read one of the Harry Potter books with your child. You may want to look at the Warner Brothers Harry Potter Studio Tour website for more information at www.wbstudiotour.co.uk.

Please pass the enclosed invite to your child.

All year groups will be visiting wonderful locations this academic year entirely funded by the school. These places are different and will take place at different points in the academic year.

The educational visits are as follows:

- Nursery – (to be confirmed)
- EYFS - Colchester Zoo (in December)
- Year 1 – LegoLand – (in June)
- Year 2 – 6 Warner Brothers Harry Potter Studio Tour (in February)

Yours sincerely

Miss Pickrell
