Rebecca Perman, Headteacher

5th September 2017

Dear Parents/Carers

We are writing to inform you that unfortunately, after a lot of consideration, we have decided to cancel the trip to the HMS Belfast (Kip on a ship).

This is not a decision we made lightly. A great deal of thought has gone into cancelling this fantastic opportunity. As a school, we had to take into account the events that have happened in the world today and the children's safety is our first priority.

The children have all been spoken to and understand why we have had to make this decision.

We will be asking all parents/carers that have paid money to come in and collect it from the school hall, after school at 3.00pm on 28th September.

Again, thank you for your continued support at Eastwood.

Kind Regards

Mrs Stafford and the Year 5 Team
