Sports days

Thank you for everyone who attended our 5 sports days! The turnout and support from our families was amazing and really spurred the children on. Although we like to be competitive at Eastwood, it was lovely to see the children supporting each other in their races and sometimes holding hands over the finishing line!

Well done to Pearl for winning the year 1,2,3 sports day and Sapphire and Emerald for their joint win of our year 4,5, and 6 sports day.

Borough Sports

This year our Borough sports children competed in Group 3 for the first time. Our aim, right from the beginning was to stay up in this group and not be relegated into Group 4. With sheer hard work, turning up to training every week and great team work our children achieved this aim! Once again, support from families really helped the children. There will be a special assembly held for the Borough Sports team and their families to celebrate their success on the 16th July at 9.00am.

We would like to wish our 9 children who are attending Super Sports this week the best of luck.

Tough Mudder

We have raised £1142 from Tough Mudder! This event is a win- win for everyone. The children love getting muddy, staff enjoy getting the children muddy, families enjoy watching this and we raise lots of money for the school! Well done everyone and thank you for your kind contributions.
