

Consultation for school finishing time.

Thank you to all the parents and carers who have responded to our consultation in regards to the school finishing time. We are now in the process of gathering all your views and those of the staff, we will inform you of the outcome by Thursday 18th January.

Internet Safety.

You may have read in the news recently the article on schools helping children with social media. It has been reported that children aged 8-12 find the impact of social media on their lives hard to manage.

Eastwood works very hard with children and their families to ensure all our children know how to keep themselves safe on the Internet. I would like to take this opportunity to remind you of the forthcoming workshops with Gary Collard. This is a new approach for the school, children working alongside their parents/carers in the classroom, and we hope it is one you will enjoy.
