

Dear Parents/Carers

We would like to take this opportunity to thank you and your family for showing an interest in joining our school. We were pleased to see you during your recent visit to Eastwood.

We believe working with families is vitally important for children throughout their whole school career. At Eastwood, parents/carers means your whole family (Grandparents, Aunties, Uncles, big sisters and big brothers) and you are all welcome to visit and become involved in your child's school life.

Below are events that are coming up at Eastwood Primary School and Nursery.

We hope you can join us. We look forward to seeing you soon.

Yours sincerely,

Mrs Bellfield
